It Takes Make-Up to Look Natural!

With Linda Bertaut

Esthetician, Reiki master, Beauty Expert Linda Bertaut

Specializes in bringing inner beauty to the surface. Linda uses make-up and image as vehicles to self-discovery and increased self-esteem. She interprets and gets to the core of people's identities and helps them to define themselves. The result is transformation from the inside out.

She has won the Image Industry Council's Award of Excellence for her work on inner image and two awards for make-up artistry.

Today as founder of Bertaut Beauty, Face Options Cosmetics and Petal Potions, natural mood management products, she helps people to look and feel their best.

Peace of Mind Skin & Body Care is excited to introduce you to their new line of mineral makeup. We invite you to try it yourself and meet the woman who created this fabulous Reiki energy infused line of cosmetics. Schedule a 45 minute makeup update and be in for a fun and enlightening experience. Award-winning make-up artist and beauty expert, Linda Bertaut, loves teaching women how to look more natural wearing make-up and she wants to get her hands on you! Join her and the company of other wonderful women as she shares her step-by-step method to make any woman look and feel better with make-up.

You are the perfect candidate if you:

- Wear make-up on a regular basis and want to update your look
- Want to save time, look natural and get more compliments
- Want to improve your make-up techniques and learn what to do with all those brushes you have in your drawer
- Want to try make-up that is *good* for your skin with an SPF of 26
- Need to give your self-esteem and confidence a boost

Linda will show you the 3 most common mistakes made with make-up and how to avoid them. Plus, how to use color and make-up to increase your credibility and wow factor. You can even earn more \$\$ by wearing make-up that enhances your best features. Find out how by scheduling your own session with Linda.

This is no department store make-over. You will walk out of your session looking like you — only *better!*

What people are saying:

"I am so delighted with my new makeup! It is a superior product, and I love how it makes my skin look. Thanks for being such a delight to work with—you patiently and expertly showed me just how to maximize my best features and look great. I heartily recommend you and your products to all the girls!" - *Chellie Campbell*

"I am so pleased with my make-over and make-up. The products are great and I feel as though I look younger, better yet I have had others tell me the same." - *Denise Pine*

"I wanted to let you know that I love the products. I get so many compliments on my skin. The great thing about your products is that I don't have to use very much and it lasts all day...I love your make-up. - *Michele Ware*

"I just wanted to give you some feedback on the products I purchased. I LOVE THEM!! I was a bit skeptical about how it would wear throughout the day—but no longer. I love it and am putting my old Prescriptives liquid foundation out to pasture!!" - *Angela Solleder*
